HAPPY EASTER! Happy Spring!

FROM THE LEADER OF THE PACK

Volume 2, Issue 4

April 2014

Hello and welcome to Winter!

The weather man said it was Spring but I think we have gone into winter -

finally. The weather and riding in March was fantastic. We had a great picnic ride to Lewiston Lake. We found a nice place to have this years campout. We are going to book it for the 3rd week of July. More details on that later. Our St. Patrick's Day dinner was fantastic! Thanks to everyone who donated food and goodies and helped put it together. The club made money on this one. Thank you Randy & Jody for hosting this dinner at your house.

The next weekend we finally made it to Manton for spirits and food. Julia's restaurant was great. The day was filled with good food and GREAT people. It was a great ride - thanks Sarge for leading this one. We will do it again.

April is here and on the 12th we are riding to the Red Bluff Car Show and Chili Cookoff. If you have never made this event try not to miss it. It is a good one. And on the 25th we are BBQ'ing for Kool April Nites. Willie P. will be

Let's Ride and Have Fun

doing the cooking. We meet on the corner of Mistletoe and Churn Creek. It is always a good time. Hope the weather cooperates. Our Sunday ride this month is going to McCloud River Bridge (Gilman Road) for a picnic. Bring a sack lunch. April looks like a good one - you won't want to miss out on any of the fun we have planned.

Thank you to everyone who participated in all the activities for March. I really like it when we have the large turn-outs for the rides. It makes it more fun for everyone.

Ride safe and see you soon.
Mike

ACTIVITIES AND BEYOND! - Willie Parker

Kool April nites? More like wet April days! Any way enough bitchin about the weather. We have had some great riding weather so far this year. Great ride to Mantton, Sarge. Thank you.

Activities for April will be the same as last year. Friday, April 25th we will set up a

Bar B Que at the corner of Churn Creek Rd. and Mistletoe Lane in the dirt lot. This gives us a great view of the Kool April Nites Cruze. All you need to bring is a chair, drinks, and a side dish that goes with Costco Hot dogs. The club will be providing the dogs. Cruz starts at 6 pm,

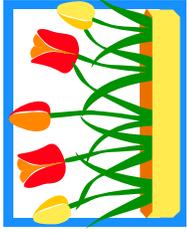

but the city cops start closing off the route just after 5. This is always a lot of fun, so I hope you all can make it. No dinner ride this month. I have something different planned next for month so stay tuned. Ride On!

St Patrick's Dinner

When we planned this one we didn't know quite what to expect. We knew we wanted to do the dinner, but just didn't know where to begin. So the girls talked at REAL, talked to Louise and decided to give it a go. I, for one, am glad we did. It was a blast! We had to calculate how much food to purchase (we OD'd on the spuds) and how we were going to get it all cooked so it was all finished at the same time. I am not sure how, but it worked. The decorations looked perfect and the food just seemed to all come together. We learned what not to do for next year and had a great time doing it. Thank you Randy & Jody for opening your home to host this event. Thanks to the cookers: Bev Nocerini, Diane Brubaker, Colleen Klein, Debbie Dean, Diane's mother-in-law, Willie Parker, Randy, Jody—anyone else I may have forgotten—it took a lot of hands to make light work for us all. Thank you to everyone who attended. Without all of you the dinner would not have been successful. I think we will want to do this again next year. Hope we keep the "luck of the Irish" going till the next time. Thanks again, Sharon

MEMBER OF THE MONTH

Members of the Month

This Month's Members of the Month are Willie and Jan Parker. They joined our group in 2010 and are also members of the Redding Hog Chapter. Willie currently serves as our Activities Director and Jan is our Webmaster.

Willie was born in Boise, Idaho but has lived in Redding since 1963. Willie's first bike was a Suzuki 185, He moved up from there to a Honda 550 (which he and Jan

used as transportation while they were dating). After the Honda came a Sportster and then a Road King and he now rides a 2011 Road Glide. Jan has slowed down on riding as she's busy with her job and hobbies. She started riding as a young lady and did ride a Sportster XL1200L for many years. She does enjoy an occasional ride on Willie's Road Glide

.Jan came to Redding from Auburn, California. She met Willie on a blind date and they both have fond memories of dating on that Honda 550. They went everywhere on it including drive-in movie's.

Willie and Jan married in 1980 and combined, they share three children, two boys and a girl. One of the boys has proudly served in the United States Air Force for the last eighteen years.

Willie has owned and operated TTT Towing for twenty three years, a business he and Jan purchased from Willie's Father. Jan is employed as a hair dresser (as well as many other things) at a local senior center. Their jobs and family keep them both very busy, but if you went to the bowling night or the Valentine's dinner party, then you know just how hard they both work to make our club a great group to belong to.

When asked about their favorite ride (with the club), Jan said "Light house run" and Willie said the "Jetboat ride". Willie has many great activities planned for us this year and Jan as done a great job of keeping our club website up to date. A side note; I thank both Willie and Jan for taking the time to sit down with me to do this. I enjoyed it and they are both really fun people.
