*Let's Ride and Have Fun*

## FROM THE LEADER OF THE PACK

Well, where has this year gone. We are heading to fall but there is still a lot of riding season left. We had some great rides in July. The ride to Mt. Shasta was especially nice. The hippies at the head waters really made me miss the 60's—NOT! But Castle Lake was great. We found out about Heart Lake and a few weeks later Randy, Jody, Sharon, our neighbor Gary and I went back and did the 1.1 mile hike. It was really fun. The view would have been better without all the smoke so maybe we will have to hike it again sometime.

We had a great time at Trinity Alps Resort. Next time I will get the name of the girl I talked to that said "I will put you down for the outside deck since you do this every year" - ya right! Thought we were going to box but I mellowed out and had a beer - Oh no - no that. It was a beautiful ride home. A few deer along the way but we all made it home safely.

## LET'S RIDE !

We also had 2 teams in the Bocci Ball Tournament in Anderson. My team didn't fair so good this year but congratulations to Sharon's team (Tom K., Sharon's brother & sister-in-law & Sharon) - they took 3rd place. Won their money back. Not a bad day.

We have the campout coming up in Sept., the Halloween Party in Oct. and our Christmas Party in Dec. Lot's of things to do, places to see and good friends to share with. See you at the next event!

**ACTIVITIES AND BEYOND! - Willie Parker**

For the fifth time, I've been honored to be the flag bearer the The Nation Of Patriots Tour. This year the flag was delivered to us from Chico HOG on a Friday, which means we were able to take it north to Medford on a Saturday. We left Redding at 8am, with a stop to for gas and to pick up other riders in Weed, on to the truck scale just over the Oregon border. Where we meet up with riders from S.Ore HOG, who helped us get to D&S H-D. After the pass-

ing of the flag we had a great lunch provided by them. After lunch, some of us headed over to Grants Pass for the Hellgate Jet Boat ride and dinner. All i can say is "Don't drink to water"! The motel was great, and in the morning Jan and I hit the Freeway for the ride home. We stopped for lunch at the Giant Orange, and still made it home by 1pm. Now I need to thank everyone one for the help getting the flag to Redding and to Medford. First and for most, Angel R. I couldn't have done it with

out her. She took care of all the food for the reception. Thanks You Angel. Next up Russ R and Robert G. for meeting Chico and escorting them to the Veterans Cemetery, and them on to Redding H-D. On Saturday I want to thank Russ R. again and J C for folding the flag. It's al about honoring our veterans, and i think we did a great job. I know other people helped, but if I tried to name everyone, I would forget somebody, so THANK YOU!
