FROM THE LEADER OF THE PACK...

News from the President:

Hello everyone. Hope you all had a very Merry Christmas and Happy New Year. Last year was a blast. We did a lot of really fun things. We had a very profitable Bike Show and Swap Meet. We are planning on doing new and fun things this year. We have a great group of officers for 2016 and I am looking forward to working with all of them on a great year. We had a great turnout for the New Years Day ride. It was a bit chilly but we had a big group that meet at the restaurant for lunch or "Bloody Mary" party. The drinks were great! Good way to bring in the New Year. Once again, the first Sunday of every month is breakfast at the Buckeye Grange. Bruce and Dorie Brown and their crew put on a great breakfast for only \$5.00 per person. We meet at 9:00. Would love to see a few new faces. This is a great way to support the only grange left in Redding.

We have lots of fun stuff planned for this year. Movies nights, dinner rides, golf, bowling, and ride, ride, ride! – anything fun. If you have ideas of things to do please let us know. We want to plan things YOU want to do. I would like to see more participation this year. We give points for everything you do so join in and maybe you can win a gift card for your efforts. We are planning on going to another ball game this year – maybe Reno (Dodgers play there – go Dodgers). We have a lot of ideas but need the members to support the plans. Hope you all will join us when you can. See you at the meetings and rides. Lets make this a fun Year.

Your president Mike.

SAFETY NEWS . . .

The rider-That's You. Riding is a skill. It takes thinking and practice to ride a motorcycle well. Your enjoyment and your safety, depends on mastering the art of the motorcycle but also the realities of the traffic around you. Looking A Head and Looking in your Mirrors on a group ride to see that your Brother or Sister is behind You. if not we need to stop and wait for them. We want to always put safety first in every ride we take. Remember on a group ride, We will never leave a fellow rider behind!

Thanks Don S.
