FROM THE LEADER OF THE PACK

Hello National Members,

This month was not very good for riding. We had rain and heat. The Hat Creek ride was cancelled due to it being too hot. Don S. had everyone over to swim that day instead of riding. Sharon said it was great. I had to work that day and didn't go. Then Million Mile Monday got rained out. We had to drive. I hope everyone that went to the Lighthouse Run had a great time.

This month we have the 4th of July party at Dan & Nedra's. I hope you RSVP'ed early. You won't want to miss this party because it a great one.

Don S. has some good rides planned for this month and Willie has a great dinner planned for the 16th. You won't want to miss any of these events. I hope more of you will come out and ride with us. The officers plan a lot of good activities each month and we don't get much participation. It would be good if we had a lot of members at each event.

Don't forget about the REAL meeting on the 25th. See you on the road.

The leader of the pack - Mike

Million Mile Monday - by Sharon Smyth

It rained on the Monday that National HOG planned their "Million Mile Monday" but that didn't stop us from going to dinner anyway. Willie, Jan, Mike and I drove (I know, we are NOT a car club!). We were not able to log the miles we drove in our cars, but a great dinner and good company is well worth it. We went to "Smokes BBQ" on Airport Road. The

owner opened his BBQ place last year after he closed "Corinos Italian Restaurant" on North Market. He is an excellent cook and wants people to get good food at a great price. The next time you are in that area, give it a try. The place is small but had enough room for us to enjoy a quite dinner of rib's, chicken and all the fixing's. July's dinner ride is planned for

Varsity Burgers in Palo Cedro. You should make plans now to go on that one. You have to eat anyway - why not plan on spending your dinner time among friends and enjoy an evening out on the town.

See you at the next one!

RIDE AND HAVE FUN!

National Members Redding California, Inc. is an organization dedicated to the “Ride and Have Fun” motto set forth by HOG National. We have always tried to keep it “fun” and eventful, hopefully providing good activities and rides that interest all members and encourage participation. Please feel free to comment on any and all events whether it be good or bad. We can not improve if we do not know what to improve on. The organizers of this group welcome help in any way.

Lets keep it FUN for a long time to come!

SAFETY SAFARI By Don Saewert

The causes of many motorcycle crashes can be attributed to :

- Lack of basic riding skills
- Failure to appreciate the inherent operating characteristics
- Failure to appreciate the limitations of the motorcycle
- Failure to use special precautions while riding
- Failure to use defensive driving techniques.
- Lack of specific braking and cornering skills

A motorcycle should be selected for a comfortable fit and functional requirements.

- Select a motorcycle that fits.
- A motorcyclist should be able to touch the ground with both feet when astride the vehicle.
- If you will be carrying a passenger, make sure the motorcycle you select has a passenger seat as well as footrests [foot pegs] for the passenger.
- Check the location of the controls. Make sure you can reach and operate them easily and comfort

The safe operation of a motorcycle requires different skill and knowledge than is needed for a passenger car.

Never ride without a certified motorcycle helmet and eye protection.
