## National Members Redding California, Inc.

### FROM THE LEADER OF THE PACK

August was a real weird month. Ups and downs. The Ups: We had a great time at the Colt 45 game. If you have never gone to a local semi-pro game you should put it on your bucket list. They are fun and you are supporting your community. After the game we all rode to ice cream. That is always my favorite part!! More Ups: We had a great group that rode to French Gulch for dinner. They have new owners at the FG Hotel and they aim to please. It was a great night to ride and the food was good too. We will want to do that one again.

Now for the downs: We lost one of our Charter Members - Dan Cook. Dan and Nedra have been with Nationals from the beginning. Dan was a Ride Coordinator and took us on the first "Freeze you're a--s off, New Years Day" ride. I remember sitting up at Shasta Dam overlook and wondering why we were doing this - it was cold! Dan and Nedra were comfortable, all plugged in with their warm vests wondering why we were complaining. I actually think Dan was cold too but wouldn't admit it. Anyway, we always had fun when Dan

was around. He will be missed by all who knew him.

And, Nedra - you are not going to get away from us. Once a National, always a National! We all love you very much and hope you return soon.

September is going to be busy. We have the campout and Street Vibrations. There is always room for more campers. Sharon has put a lot of hard work into this one and she is always ready to show you how to make WaDickers. Our house looks like Survivor Central. Hope I find the Hidden Immunity Idol again this year. Make plans to be there. And we are going to Reno at the end of the month for Street Vibrations. Anyone can ride with us but be sure to get reservations. The town sells out early - we stay at the Sands Casino. We are leaving at 10:00 am from the Texaco station on Thursday. Have a great September and see you soon. Mike

*RIDE AND HAVE FUN!*

*National Members Redding California, Inc. is an organization dedicated to the “Ride and Have Fun” motto set forth by HOG National. We have always tried to keep it “fun” and eventful, hopefully providing good activities and rides that interest all members and encourage participation. Please feel free to comment on any and all events whether it be good or bad. We can not improve if we do not know what to improve on. The organizers of this group welcome help in any way.*

*Lets keep it FUN for a long time to come!*

### SAFETY SAFARI

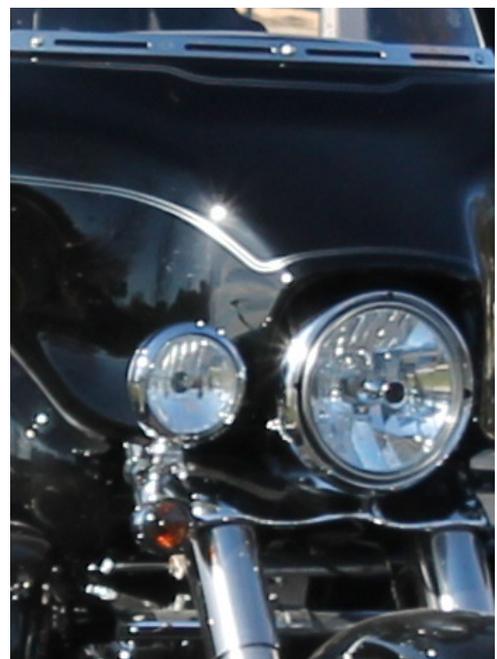

The practices of some riders are offensive to other motorists  
[ e.g., weaving in and out of stalled traffic,  
riding on shoulders]

Being inconsiderate of other motorists creates a negative image for All Riders, and can cause crashes.

Be COUTEOUS when we ride

Thank you. Don Saewert
